Dear Parent

This has been a challenging and unprecedented year for us all. The Domestic Recruitment & Events (DRE) team at Queen's University fully appreciate how the uncertainty caused by the Covid-19 pandemic has impacted upon the delivery of Careers Education, Information, Advice and Guidance in schools across Northern Ireland. We fully understand that it is a particularly worrying time for you as a parent as your son &/or daughter look to progress with their education and explore new opportunities.

I would like to take this opportunity to inform you about the steps that the DRE team are taking to support your child in making informed choices about their future and have pleasure in enclosing a copy of the Discover a World of Opportunities, Undergraduate Virtual Events flyer for Autumn/Winter 2020/21.

To help and support both you and your child across the key UCAS application deadlines, decision making and examination stages of the academic year, we have developed a series of live virtual events which are aimed at providing students with the knowledge, understanding, confidence and skills required to make informed choices and plans for their future learning and career.

The schedule of events includes Applying through UCAS, Writing a Personal Statement, Why Choose Queen's University, Exam and Study Tips, Where a degree from Queen's can take you and Mental Health and Wellbeing. We will also be hosting a dedicated Parents information Evening to provide you with an overview of the journey which your child will embark on. Join us and gain an insight into life at Queen's, along with useful information and advice which will guide both you and your child through your journey to University.

To register to attend any of the live virtual events please visit go.qub.ac.uk/ugevents and complete the relevant registration form. You may register to attend multiple events. All events will be recorded and will be available to watch on demand after each session.

A copy of the Spring/Summer 2021 Undergraduate Virtual Events schedule which will include live webinars on Amending UCAS Choice Replies, UCAS Extra, Exam preparation, Preparing for Results Day, Student Finance & Applying for a Student Loan, Accommodation, What is Clearing? and much more will be available to you early 2021.

We look forward to welcoming you across our series of events. In the meantime, if you have any further queries please do not hesitate to contact the Student Recruitment team directly by emailing studentrecruitment@qub.ac.uk

Kind Regards

Louise Carey
